

Adjustable Loop Key Cable Lock

The versatile CODi Adjustable Loop Cable Lock is perfect for securing valuable items such as desktops, LCD/LED monitors, projectors, printers and copiers. This loop lock was developed to work with the built in security ring found on most office peripherals. This lock is also compatible with CODi's Anchor Ring or Universal Anchor. The patented design features convenient, easy-to-use push-button technology to easily lock and unlock your device. Utilizing the optional break-off screw, you can permanently secure the cable loop into one position. A hardened steel head and 6' coated, galvanized steel cable ensure superior strength and deter tampering.
